

The Guide Right Foundation of Dallas October Updates

SPECIAL THANKS TO ALL BROTHERS who are diligently volunteering and donating! Please join them!

The Guide Right Foundation of Dallas is off to a great start! With four programs, interactive activities, college tours, and an eager group of youth, we are ready to change lives in the southern sector of Dallas.

The 2014-15 Guide Right staff, under the leadership of **Ryan N. Mitchell**, has 3 segmented programs to address the needs of a particular set of students. The Kappa Knights are our 7th and 8th grade students. The Kappa Leadership League of Dallas is comprised of the freshmen, sophomores, and juniors. The Kappa League Beautillion program is for our high school seniors.

Each program has an enthusiastic set of leaders!

Under the direction of **Kendrick Mewborn and Haston Lewis**, the Kappa Knights are off to a great start. They are preparing for the African American Male Academic Bowl in 2015, where we will have 4-5 teams competing!

Last meeting: September 6th – the boys learned the importance of dressing for success and presenting themselves positively.

Next meeting: October 4, 2014 9am-1pm at Hampton Prep School 8915 S. Hampton Road Dallas, TX 75232

We will host a “Meet a Dr”. Session, and will discuss dealing with anger. Please join us with your shirt and tie on.

More importantly they are applying to college. One student just received a full scholarship to Columbia University!
